

WHAT TO RECYCLE SINGLE STREAM

Paper Products including cardboard, cereal boxes, egg cartons, folders, junk mail, magazines, milk cartons, newsprint, office paper, paper towel rolls, phone books, shoe boxes, and soft cover boxes

- No bundling or preparation required. Place loose inside the 95 gallon recycling tote.
- Do not include paper with excessive food waste or paper that is excessively dirty or oily. No potato chip or snack bags that are not numbered.

All clear and colored glass, food and beverage containers including juice, all food and sauce jars, liquor and wine bottles, and condiment containers

- Rinse containers and remove caps and lids. It is not necessary to remove labels from containers.
- Do not include plate glass or ceramics in the curbside bin. These materials can be delivered to the Drop Off Facility for recycling.

Steel or aluminum food and beverage containers including deposit/non deposit beverage cans, metal food cans, aluminum foil, and metal lids

- Labels do not need to be removed. Place loose in recycling tote.
- Do not include pressurized spray cans, car parts or metal that is not from household use. These materials can be delivered to the Drop Off Facility for recycling.

All plastic containers marked #1 through #7 including beverage/food, detergent, pails, oil/anti-freeze (drained and clean), household grade foam containers/packaging

- Just rinse and place loose in recycling tote. **All items must be clearly marked with the recycling symbol and number.**
- Do not include large molded plastic items (laundry baskets, toys, containers over 5 gallons), any plastic container still containing residue, Styrofoam packing peanuts, garden hoses, or household grade plastic bags/films.
